

OFID The OPEC Fund for International Development

AGREEMENT dated June 20, 2008, between the Dominican Republic (hereinafter called the Borrower) and the OPEC Fund for International Development (hereinafter called OFID).

Article 2
THE LOAN

2.01 A loan in the amount of Five Million Dollars (US\$ 5,000,000) is hereby extended by OFID to the Borrower on the terms and conditions set forth in this Agreement.

2.02 The Borrower shall pay interest at the rate of three and one quarter of one per cent (3.25%) per annum on the principal amount of the Loan withdrawn and outstanding from time to time.

2.03 The Borrower shall pay from time to time a service charge at the rate of one per cent (1%) per annum on the principal amount of the Loan withdrawn and outstanding, to meet the expenses of administering the Loan.

2.04 Interest and service charges shall be paid in Dollars semi-annually on January 15 and July 15 in each year into an account of OFID designated for this purpose by OFID Management.

2.05 After this Agreement has been declared effective pursuant to Section 7.01, and unless the Borrower and OFID shall otherwise agree, the proceeds of the Loan may be withdrawn from time to time to meet expenditures made after December 10, 2002, or to be made on later dates in respect of the reasonable cost of goods required for the Project which are to be financed out of the Loan proceeds as outlined in Schedule 2 to this Agreement and in the amendments of such a Schedule duly approved by OFID Management.

OFID The OPEC Fund for International Development

2.06 Except as OFID Management shall otherwise agree, withdrawals from the Loan may be made in the currencies in which the expenditures referred to in Section 2.05 have been paid or are payable. In case payment shall be requested in a currency other than Dollars, such payment shall be effected on the basis of the actual Dollar cost incurred by OFID in meeting the request. OFID Management shall act in the purchase of currencies as the Borrower's agent. Withdrawals in respect of expenditures in the currency of the Borrower, if any, shall be made in Dollars according to the official rate of exchange at the time of withdrawal, and in the absence of such a rate, according to a reasonable rate as OFID Management shall, from time to time, decide upon.

2.07 Applications for withdrawal shall be prepared in two original conformed copies in conformity with "The OPEC Fund for International Development Disbursement Procedures" as approved in May 1983, a copy of which has been furnished to the Borrower. An original copy of each such withdrawal application shall thereafter be submitted, respectively to OFID and the Loan Administrator by the representative of the Borrower designated in, or in accordance with, Section 8.02. Every application so submitted shall be accompanied with such documents and other evidence sufficient in form and substance to satisfy OFID and the Loan Administrator that the Borrower is entitled to withdraw from the Loan the amount applied for and that the amount to be withdrawn will be used exclusively for the purposes specified in this Agreement.

2.08 The Borrower shall repay the principal of the Loan in Dollars, or in any other freely convertible currency acceptable to OFID Management in an amount equivalent to the Dollar amount due, according to the market exchange rate prevailing at the time and place of repayment. Repayment shall be effected in thirty semi-annual instalments commencing on July 15, 2013, after a grace period running up to that date, and thereafter in accordance with the Amortization Schedule to this Agreement. Each instalment shall be in the amount of One Hundred and Sixty-Six Thousand Six Hundred and Sixty Dollars (\$ 166,660), except for the last and thirtieth instalment, which shall be in the amount of One Hundred and Sixty-Six Thousand Eight Hundred and Sixty Dollars (\$ 166,860) and all such instalments shall be transferred on the date of repayment to the OFID's Account as requested by OFID Management.

OFID The OPEC Fund for International Development

2.09 (a) The Borrower undertakes to ensure that no other external debt shall have priority over this Loan in the allocation, realization or distribution of foreign exchange held under the control or for the benefit of the Borrower. To that end, if any lien shall be created on any public assets (as defined in Section 2.09(c)), as security for any external debt, which will or might result in a priority for the benefit of the creditor of the external debt in the allocation, realization or distribution of foreign exchange, the lien shall, ipso facto and at no cost to OFID, equally and ratably secure the principal of, and the charges on, the Loan, and the Borrower, in creating or permitting the creation of such lien, shall make express provision to that effect; provided, however, that if for any constitutional or other legal reason that provision cannot be made with respect to any lien created on assets of any of its political or administrative subdivisions, the Borrower shall promptly and at no cost to OFID secure the principal of, and the charges on, the Loan by an equivalent lien on other public assets satisfactory to OFID.

(b) The foregoing undertaking shall not apply to:

(i) any lien created on property, at the time of purchase thereof, solely as security for payment of the purchase price of that property; and

(ii) any lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after its date.

(c) As used in this Section, the term "public assets" means assets of the Borrower, or of any political or administrative subdivision thereof or of any entity owned or controlled by, or operating for the account or benefit of, the Borrower or any such subdivision, including gold and other foreign exchange assets held by any institution performing the functions of a central bank or exchange stabilization fund, or similar functions, for the Borrower.

2.10 The Borrower's right to make withdrawals from the loan proceeds shall terminate on December 31, 2012, or such later date as shall be established by OFID Management. OFID Management shall promptly inform the Borrower of such later date.

3.02 The Borrower shall ensure that the activities of its departments and agencies with respect to the carrying out of the Project are conducted and coordinated in accordance with sound administrative policies and procedures.

3.03 (a) The Borrower undertakes to insure, or make adequate provision for the insurance of, the imported goods to be financed out of the Loan against hazards incident to the acquisition, transportation and delivery thereof to the place of use or installation, and for such insurance any indemnity shall be payable in a currency freely usable by the Borrower to replace or repair such goods.

(b) Except as OFID shall otherwise agree, all the goods and services financed out of the proceeds of the Loan shall be used exclusively for the Project.

(c) Unless otherwise agreed between the Borrower and OFID, the "Procurement Guidelines under Loans Extended by the OPEC Fund for International Development" as approved on November 2, 1982, a copy of which has been furnished to the Borrower, shall apply to the procurement of goods under this Agreement.

3.04 (a) The Borrower shall furnish to OFID Management, promptly upon their preparation, the plans, specifications, contract documents and construction and procurement schedules for the Project and any material modifications thereof or additions thereto, in such detail as OFID Management shall reasonably request.

OFID The OPEC Fund for International Development

(ii) shall enable OFID Management's representatives to visit the facilities and construction sites included in the Project and to examine the goods and works financed out of the proceeds of the Loan and any relevant records and documents; and

(iii) shall furnish to OFID Management at regular intervals all such information as OFID Management shall reasonably request concerning the Project, its cost and, where appropriate, the benefits to be derived from it, the expenditure of the proceeds of the Loan and the goods, works and services financed out of such proceeds as well as a quarterly report on the progress in the implementation of the Project.

(c) Promptly after completion of the Project, but in any event not later than six months after the Closing Date or such later date as may be agreed for this purpose between the Borrower and OFID Management, the Borrower shall prepare and furnish to OFID Management a report, of such scope and in such detail as OFID Management shall reasonably request, on the execution and initial operation of the Project, its cost and the benefits derived and to be derived from it, the performance by the Borrower and OFID of their respective obligations under this Agreement and the accomplishment of the purposes of the Loan.

3.05 The Borrower shall maintain or cause to be maintained records adequate to reflect in accordance with consistently maintained appropriate accounting practices, the operations, resources and expenditures, in respect of the Project, of the departments or agencies of the Borrower responsible for carrying out of the Project or any part thereof and shall make such records available to OFID Management upon request.

OFID The OPEC Fund for International Development

3.06 In so far as is consistent with this Agreement, the Borrower shall abide vis-à-vis OFID by all such conditions related to the execution and administration of the Project as the Borrower accepts in its loan agreement signed or to be signed with IFAD for the partial financing of the Project, references to IFAD in such agreement being deemed for the purposes of this clause to be references to OFID.

3.07 Subject as provided in Section 3.06, the Borrower shall consult OFID before agreeing with the Loan Administrator on amendments of the conditions related to the execution or administration of the Project. No such amendments shall be deemed to be incorporated in this Agreement without the prior approval of OFID.

3.08 In full recognition of the role of the Loan Administrator in the supervision of the implementation of the Project, including the review and approval of the Project contracts and the approval of procurements and of withdrawal applications, the Borrower shall cooperate fully with the Loan Administrator to ensure that the purposes of the Loan will be accomplished. In the context of the foregoing, the Borrower shall, from time to time:

(a) exchange views with OFID and the Loan Administrator with regard to the progress of the Project, the benefits derived therefrom and the performance of the Borrower's obligations under this Agreement, as well as other matters relating to the purposes of the Loan;

(b) promptly inform OFID and the Loan Administrator of any condition which interferes with, or threatens to interfere with, the progress of the Project or the performance by the Borrower of its obligations under this Agreement.

- (b) Sustainable income generation, relating to the improvement of the target population's income levels through market oriented activities and encompassing the setting up of an economic development plan to help identify profitable agricultural and non-agricultural activities; the establishment of an infrastructure fund to allocate seed capital for investments in productive infrastructure, together with the strengthening of providers of local services to give training to local NGOs, consultants and staff of the involved public institutions;
- (c) Social infrastructure, pertaining to the provision of funds to rural communities to improve rural infrastructure and, in particular, for the rehabilitation and construction of houses, water supply systems, mini-electrification schemes, rural schools, day-care centers and health posts;

Unless otherwise agreed between the Borrower and OFID Management, the table below sets forth the components to be financed out of the proceeds of the Loan, the allocation of amounts of the Loan to each component and the percentage of total expenditures for items so to be financed in respect of each component:

Component	Amount of the Loan Allocated (Expressed in US Dollars)	Percentage of Total Expenditures to be Financed
(a) Human and Social Capital Development	1,067,000	23.20
(b) Sustainable Income Generation	1,973,000	23.35

(e) Project Implementation Unit	279,000	7.80
Total:	<u>5,000,000</u>	21.00

2. Notwithstanding the allocation of an amount of the Loan or the disbursement percentages set forth in the table in paragraph 1 above, if OFID Management has reasonably estimated that the amount of the Loan then allocated to any component will be insufficient to finance the agreed percentage of all expenditures in that component, OFID Management may, by notice to the Borrower: (i) reallocate to such component, to the extent required to meet the estimated shortfall, proceeds of the Loan which are then allocated to another component and which in the opinion of OFID Management are not needed to meet other expenditures; and (ii) if such reallocation cannot fully meet the estimated shortfall, reduce the disbursement percentage then applicable to such expenditures in order that further withdrawals in respect of such component may continue until all expenditures thereunder shall have been made.
